Hiring Manager

[Company Name]

[Company Address / Remote]

Dear Hiring Manager,

I am writing to express my interest in the Administrative Officer / Executive Assistant role at [Company Name]. With 7+ years of administrative and operations experience across consulting, IT services, FMCG, and logistics, I bring a proven record of EA-level performance and the reliability that keeps executives and operations running without friction.

From 2022 to December 2025, I provided concurrent EA-level support to three remote clients — recording zero missed deadlines across the full three-year period. I built Google Drive and Dropbox filing systems that cut document retrieval time by 40%, and reduced report drafting turnaround by 30% through AI-assisted workflow optimisation. These engagements concluded in December 2025 following one client's business contraction.

At ENYO Retail and Supplies, I served as the communication bridge between field teams and senior management, reducing reporting errors by 20% through standardised templates and maintaining 100% cash reconciliation compliance. Earlier, as supervisor at Everlasting Business Venture, I led a team of 10+ operators for a decade — the foundation for the discipline and deadline orientation I bring to every role since.

I'm proficient in Microsoft Office, Google Workspace, HubSpot CRM, Notion, Trello, and Slack, hold a Virtual Assistant Certification from ALX Africa, and use AI tools (ChatGPT, Claude, Gemini) daily to work faster without sacrificing accuracy.

All three of my concurrent clients retained me for the full duration of their engagements — a standard I'm ready to bring to one organisation full-time. I'd welcome the chance to discuss how my background fits your needs. I am immediately available and open to remote, hybrid, or on-site arrangements.

Warm regards,

Silas Andy Aniekan
