PROFESSIONAL SUMMARY

Certified Virtual Assistant (ALX Africa) with 7+ years of progressive administrative and operations experience across consulting, IT services, logistics, retail, and manufacturing. From 2022 to December 2025, delivered EA-level support to three concurrent remote clients — achieving zero missed deadlines, 40% faster document retrieval, and 100% on-time reporting. Proficient in Microsoft Office, Google Workspace, HubSpot CRM, and AI productivity tools (ChatGPT, Claude, Gemini). Currently building toward AI-integrated operations workflows. Seeking a full-time Executive Assistant, Virtual Assistant, or Administrative/Operations role to deliver reliable, high-impact support.

CORE COMPETENCIES

Admin tools: Microsoft Office Suite, Google Workspace, Notion, Trello, HubSpot CRM

EA & VA: Executive calendar & diary management, inbox & correspondence, travel coordination, meeting minutes, SOP development, stakeholder liaison, confidential information handling

Operations: Inventory tracking & reconciliation, digital filing systems, staff scheduling, financial reporting, vendor management, staff onboarding, compliance documentation

Collaboration & productivity: Slack, Zoom, Microsoft Teams, Google Meet, WhatsApp Business — with working proficiency in AI-assisted research and drafting (ChatGPT, Claude, Gemini)

PROFESSIONAL EXPERIENCE

Freelance Executive Assistant & VA Consultant | Multi-Client Portfolio (Remote)

2022 – December 2025

EA-level support across three concurrent clients in consulting, IT, and logistics. Engagements concluded in December 2025 following the client's business contraction.

Sio Robertson + Associates — Human Capital Consulting

- Managed executive calendar, stakeholder correspondence, and logistics for 2–4 corporate training sessions per month with zero conflicts.
- Developed SOPs and workflow documentation, reducing operational bottlenecks across client deliverables.

Cyberlink Network — IT Support & Office Management

- Oversaw full office management for a 10-person IT firm — documentation, scheduling, vendor coordination, and internal communications.
- Coordinated staff onboarding and prepared weekly/monthly operational reports for management visibility.

Independent Fleet & Logistics — Bolt, Uber, InDrive

- Sourced, vetted, and onboarded 5 drivers; coordinated fleet scheduling and prepared performance reports for vehicle owners.

Portfolio-wide achievements:

- Zero missed deadlines across all three concurrent engagements over the full 3-year period.
- Built Google Drive/Dropbox filing systems for all clients, cutting document retrieval time by 40%.
- Reduced report drafting turnaround by 30% through AI-assisted workflow optimization.
- Retained by all three clients long-term through consistent delivery, confidentiality, and proactive support.

Administrative Officer | ENYO Retail and Supplies

2019 – 2021 | Lagos, Nigeria

- Served as a central communication bridge between field teams and senior management across multiple locations.
- Reduced management reporting errors by 20% through standardised templates and structured verification workflows.
- Maintained 100% cash reconciliation compliance and near-zero inventory discrepancy rates throughout tenure.
- Administered HR operations — attendance, leave coordination, and onboarding documentation for field and office staff.

Customer Relations Officer | Elkris Bio-Health Foods Nig. Ltd

2018 – 2019 | Lagos, Nigeria

- Managed 30+ daily customer interactions across phone, email, and in-person channels with zero escalations.

- Introduced a complaint follow-up system that reduced repeat complaints by systematically addressing root causes.
- Coordinated sales/management meetings — agendas, minutes, and action points distributed within 24 hours.

Supervisor & Technical Support Officer | Everlasting Business Venture

2008 – 2018 | Lagos, Nigeria

- Supervised daily press operations and a team of 10+ operators, meeting production targets and client deadlines consistently.
- Managed equipment maintenance scheduling, minimising downtime and ensuring business continuity.
- Coordinated workflow across design, pre-press, and delivery teams; trained and onboarded new operators.
